

Stretch the experience!

Apply for International Internship in Summer 2009

This is not practice – it's real. Work on an international consulting team. Meet top global players face-to-face. Team up with exceptional people and learn from them. McKinsey's international internship gives you the chance to test your capabilities and knowledge. Stretch yourself. Your contribution will generate real impact. This is not just another internship – it's the start of your career.

To apply, please visit: www.gointernational.mckinsey.com. The program is intended for students at the master's phase of their studies. The application period for the students from the Finnish universities ends on November 23, 2008. With any questions, please contact Merja Kolehmainen at McKinsey Helsinki, tel. +358 9 6157 100 or email merja_kolehmainen@mckinsey.com.
